

## Steal \$10,000 Art, Alarm Mistaken For Clock Gong

A Gobelin tapestry and three modern tapestries, valued at \$10,000, were stolen by robbers from the establishment of the J. R. Bremner Company, Inc., interior decorators, 835 Madison Ave., Saturday, it was learned today.

While the robbers were at work a tenant went from her apartment on the second floor, leaving two guests to lock a troublesome lock while she hailed a taxicab. At the entrance of the building she met a detective of a private agency and enlisted his aid in locking the door. While the four were working at the lock the electric gong in the decorator's shop went off. It was mistaken for an alarm clock by those working at the lock.

The detective, however, went downstairs to investigate the alarm. He found the lock had been jimmied, as had a lock on another door leading from the vestibule into the shop.

## Clemenceau Note May Flareback Against Purpose

PAUL SMITHS, N. Y., Aug. 10.—Returning from a visit to his Vermont home, President Coolidge spent much time studying the open letter addressed to him by Georges Clemenceau appealing for modification of the settlement terms of the French war debt.

The effect of the letter, it is believed, will be to create additional opposition to ratification by the United States Senate of the pending agreement, which is also awaiting action by the French Parliament.

The administration advisers fear that it will tend to strengthen the arguments of the Senate clique, headed by Senator Borah, who contend that the terms are too lenient. Viewed from any point, it is asserted, the letter cannot soften American sentiment in regard to the settlement terms.

## Brave Phone Girl Given Medal

PAWLING, N. Y., Aug. 10.—For heroism during a fire in Millerton recently, when she risked her life to spread the alarm, Mrs. Fannie M. Alarie, telephone operator, was given a bronze medal of valor by the Sharon Telephone Company.

The heat of the fire in the building was so great it broke the windows, but the operator remained at her post until all the necessary calls had been made.
